Fraser Health Online Resource:

It's that time of year when we see a rise in illnesses impacting students and staff in our school. We are hearing from families about colds, respiratory illnesses, and stomach bugs circulating in our community. As a reminder to help keep our school community healthy and well, we are sharing this online resource from our community partner Fraser Health. Here you will find information about protecting your child from communicable diseases and managing their illnesses: <https://www.fraserhealth.ca/health-topics-a-to-z/school-health/illness-and-immunizations/illness-in-the-classroom>

Open Parachute Virtual Parent Night Presentations

The Ministry of Education and Child Care, in partnership with adolescent clinical psychologist Dr. Hayley Watson from **Open Parachute**, will host three, free virtual sessions for parents, guardians and caregivers that will focus on practical skills you can teach your child and youth (ages 0-19) to prevent substance use and mental health needs. These sessions will build on a previous presentation, which focused on practical conversation tools for speaking about substance use prevention with your children/youth. The **previous session** is not a pre-requisite for this session.

Key takeaways for participants during this session:

- Learn the factors that lead to substance use and mental health needs from a trauma-informed lens
- Focus on prevention rather than intervention/response
- Applies to parents, guardians and caregivers of all age groups (youth aged 0-5, 6-10, and 11-18)
- Learn ways that these skills can be applied to yourself and the rest of your family to support the mental health of parents, guardians and caregivers

Participants must register in advance. Session dates are:

- **February 20, 6:00-7:30 pm PST**
- **February 25, 6:00-7:30 pm PST**
- **February 26, 6:00-7:30 pm PST**

Please share this information within your school community to reach parents, guardians, and caregivers of all ages.

If you have any questions, please email the Mental Health and Substance Use team at educ.mentalhealth@gov.bc.ca.

Y-Minds: FREE Program for Teens, Youth, and Adults

Y Mind is a FREE seven-week group program for teens, youth, or adults who are managing mild-to-moderate anxiety, stress, or worry. Two facilitators guide the group through evidence-based coping strategies based on Acceptance and Commitment Therapy (ACT), mindfulness, and self-compassion. Group sizes are kept small, with 8 to 12 participants per group to facilitate peer support and connection.

Participants may self-refer, no diagnosis of anxiety is needed, and you do not need to be a YMCA member. All Y Mind Teen and Y Mind Youth participants receive a free YMCA membership for up to 14 weeks, including 10 free guest passes to bring a friend to the Y.

To join Y Mind, you must first register for an information session where you will meet the group facilitators and complete an intake for the program. Spaces are limited, so inquire ASAP to guarantee your spot at an information session.

Kindergarten Registration 2025

Kindergarten registration across the Langley School District runs January 6, 2025 – February 18, 2025. If your child will be five years old by December 31, 2025, you will be able to register your child online. Information about required documents and instructions is available online and will also be posted on catchment school websites in January. For information, please visit the District webpage [here](#). To learn more about Kindergarten in the Langley School District, read our brochure [here](#).

Information About School Status During Inclement Weather

Snow closures and power outages are an annual occurrence in the Langley School District. So, where do you go to get information about the status of schools during periods of inclement weather? If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on all school websites or www.sd35.bc.ca. Updates are also posted to X (formerly Twitter) @LangleySchools and Facebook at www.facebook.com/langleyschooldistrict. If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you. Local radio stations are also informed of school status in Langley. Tune in to CKWX 1130AM, CKNW 980AM, Country Radio 107.1FM, Pulse 107.7 or CBC 690AM or 88.1FM for updates.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30am. As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

Emergency Preparedness, Power Outages, and School Closures

With storm season upon us, the District is reminding families about procedures during emergencies such as power outages. The District will post important information on school and District websites as well as on social media channels. The District may also send special instructions in emails and text messages (for those that opt-in) via SchoolMessenger. In the event of power outages, schools have an emergency phone line operational. Please avoid calling the school unless it is an emergency as this ties up the phone line.

As per the District's procedures, schools in the District may be closed to students by the Superintendent for weather related emergencies such as power outages or other causes related to health and safety. The decision to close a school due to a power outage is based on many considerations including expected power

restoration time, operational emergency lighting, access to water and washrooms, among other factors. As always, it is a parent's decision whether to send their child to school (or keep their child at school) based on safety and individual circumstances. If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school. For more information on school status information, read [here](#).

The District thanks students, families and staff for their cooperation during recent power outages impacting schools.

Student Inclusive Conference Family Reflection Sheet

Dear families

You will be receiving the family reflection sheet for your child's student inclusive conference next week. Please check your child's agenda and backpack when they are sent out at the end of next week. Please fill out the reflection sheet and hand it into your child's classroom teacher by February 21st. This will help provide important information for our classroom teachers to include in the student inclusive conferences, which can be scheduled by school appointment online. The scheduling window will open February 13th at 3:00PM and close February 21st at 3:00PM. The appointment window will be from February 24th until March 6th. A link will be sent out next week to you.

- March 5th is 2-hour early dismissal for student inclusive conferences.
- March 6th is an instructional day for student inclusive conference. Students do not attend unless it is during your scheduled 20 minute block with your child.

Langley DPAC Parent/Caregiver Education - Langley DPAC is presenting Hannah Beach - Anxious, Aggressive and Shut Down Kids: Practical Strategies for Change
